

## **The QNHG Rambler**

*Sung to the tune of "The Manchester Rambler"*

Chorus:

I'm a rambler, I'm a rambler from QNHG.  
Qatar's a country which sells LNG.  
I may be a wage slave on Sunday,  
But I am a free man on Friday.

Bring me your forms and your photos,  
Bring me your passport and pen.  
I can't tell you when you will get them,  
You'll just have to keep asking when.

*(Chorus)*

I have a white Toyota,  
It is for sale to you.  
It's never been used for dune bashing,  
Indicators are completely as new.

*(Chorus)*

Qatar although you're frustrating,  
You're also a grand place to be.  
Improved so much for the better,  
By the rambles of QNHG.

*(Chorus)*

So David we bid you goodbye  
As our leader of rambles diverse.  
Remember your friends in Doha,  
And the fun of the Umm Tays Traverse.
